

seriously old dirt

2 0 1 3

Our Wine Vision

A wine produced from unique and ancient soils, quality assured for current enjoyment.

Grown, produced, blended and bottled for our Wine Club Members.

Aromatics and flavours:

This is the second vintage release of Seriously Old Dirt. A dense wine, that is rich and full-bodied with complex aromas of black currant, black cherries, balsamic and fruitcake, lifted with warm aromas of nutmeg and all spice. The palate is soft on entry, a luscious mouth feel with a firm acidity that adds to jubilant expression of this wine.

Enjoy now. Decanting recommended.

The technical stuff:

Malbec	41%	46 barrels produced
Merlot	35%	Aged in French Oak barrels
Cabernet Sauvignon	24%	

ancient soil, small vines
